

Chest Mount setup card

Digital guide for the foldable MOLLE chest phone panel. Scan the QR for Field Capture docs — how crews film the shot list.

ATMOSPHERETEAM.COM/DOC-
FIELD

1. Weave the panel onto a vest or chest harness (MOLLE / PALS).
2. Seat a phone about 4.7–6.7" in the cradle; pull the bungee across.
3. Open Field Capture and walk the job's shot list hands-free.
4. Questions or returns:
atmosphereteam.com/contact

Atmosphere sells and ships this accessory — we do not manufacture the panel. **Fits phones ~4.7–6.7"**. Ships in 2–5 business days.
